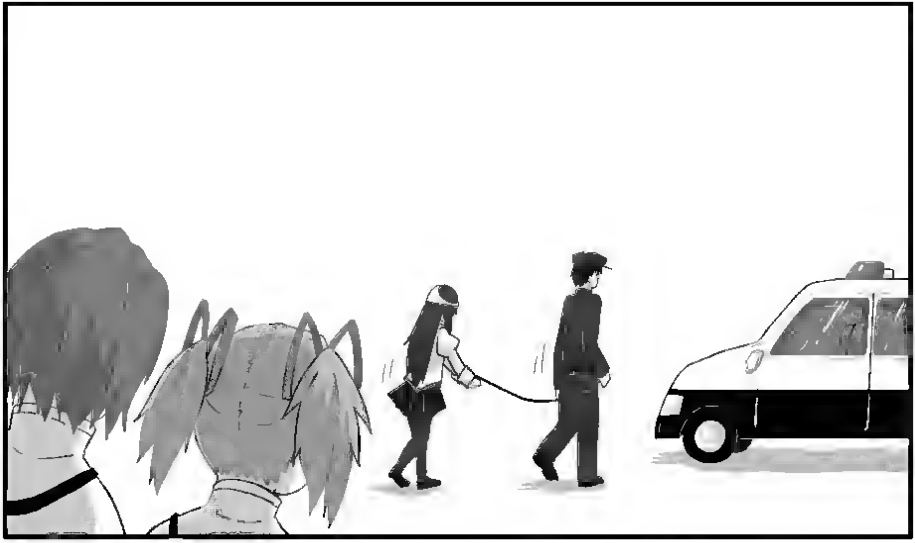
The criminal who stole Kaname Madoka's panties is among us.

This case may go unsolved.
However, even with this brain of mine, I might not be able to identify the culprit.

I'm not a pervert. And even if I am a pervert...
I'm a perverted LADY.
And in any case, if you call the police...
I'll just stop time so that I can keep wearing Madoka's panties on my head!
I'm just wearing Madoka's panties on my head because it's exciting.
You're wrong!
I'm not a pervert!



No, thank you...
